

PHARMACY RETURNS: ARE YOU LEAVING MONEY ON THE TABLE?

INMAR CONSISTENTLY SECURES 20-25% MORE CREDIT FOR OUR CUSTOMERS.

Our experienced sales and service personnel are committed to maximizing your return credits. We are constantly updating our manufacturers returns policy database, ensuring we identify every credit available to you.

Our clients receive detailed Business Reviews offering visibility to their process and an analysis of the product returned over time. The insights and implications often reveal opportunities for process improvement that can make a difference in how much credit you receive. A proven track records of results has resulted in savings of \$1,500 – \$2,000 on average.
